Energy Magazine began in 2006 as a platform for Healing Touch Program to connect with its community. Since its inaugural issue, Energy Magazine has grown far beyond the boundaries of Healing Touch to embrace the wider arena of Energy Medicine. With that expansion of vision came positive response from current subscribers, growth in numbers and the breadth of our readership.

As the magazine has grown, the mission has remained the same: to publish articles that articulate, demonstrate and substantiate the world of Energy Medicine and support the Energy Medicine practitioner.

Energy Magazine's pieces are written by leaders in the field such as David Feinstein, Donna Eden, Larry Dossey, Cyndi Dale, Belleruth Naparstek, James Oschman, Joan Borysenko and others. The magazine offers columns, articles, book reviews and more about energy related modalities and their practice. Energy Magazine challenges its readers to reflect, to grow and to learn, whether the topic is the latest scientific research, advice for growing a business or tools for self-care.

*"This was a great issue and I really enjoyed it! I'm ordering two of the books mentioned."* – Energy Reader

*"Advertising [in Energy Magazine] attracts people to my workshops."* – Marie Manuchehri

# Advertising Contract

**ADVERTISING TERMS:** Full payment in U.S. dollars must accompany your first insertion, and all insertions thereafter, unless you are contracting to advertise in more than one issue and good credit has been approved by the Publisher in advance. Once approved, further advertising will be billed each issue one month prior to publish date. It must be paid in full according to the terms that are designated on your "Emailed Invoice." Advertiser and/or Agency hereby agree(s) to abide by the terms of the publication's most current Advertising Rates; to furnish advertisements within the Publisher's published deadlines; to meet payment schedules and terms; and to hold Publisher harmless from any and all liability.

**ADVERTISING PROOFS:** If requested, when Advertisers change their ad copy in any issue, a digital proof of the ad will be emailed to the contact person on file. The production timeline does not allow proofs to be mailed. It will be the Advertiser's responsibility to call or email to make any last minute changes when required. If we do not hear from you within 24 hours, we will assume that the Advertiser has looked at the content of the ad, the design and layout, and has checked to see that no typographical errors appear. The ad will appear as was emailed.

**COMPENSATION:** If errors are discovered after the magazine has been released online, Energy Magazine™ will not be held responsible for said errors because a proof was supplied to the Advertiser and the Advertiser is responsible for contacting our office and requesting corrections and copy changes.

**CONTRACT CANCELLATIONS:** A contract may be canceled by the Advertiser or Publisher in writing before the current issue's scheduled deadline. Please read next paragraph for possible re-billing of previous advertising.

**CANCELLATION PENALTY CHARGES:** If a contract is canceled before the full consecutive issue program has been completed, cancellation is subject to repayment of any charges previously waived or discounted for any reason, such as discounts for consecutive ads. Such discounts and waived charges are added to, and due upon receipt of final statement. Publisher reserves the right to hold Advertiser and/or its Advertising Agency jointly and severally liable for payment due to the Publisher.

**BILLING:** Consecutive issue rates are priced on a per issue cost. Consecutive issue contracts are commitments to place advertising in consecutive issues in order to receive discounted rates. If a signature is not returned, the payment of a discounted rate as it appears on the Rate Card and the invoice is the Advertiser's and/or Agency's acceptance of contractual terms and rates and will be held in the same light as a signed contract.

**COLLECTION OF BAD DEBTS:** If it becomes necessary to turn an account over to attorneys or a collection agency for payment of published advertising, the Advertiser will be responsible for paying interest and any fees that result from the collection action.

**CONTRACT RESPONSIBILITY:** All Advertisers assume full responsibility to email or phone all copy changes in by each deadline date. If new copy has not been received by the deadline, your previous ad will be repeated as published in the previous issue. Advertisers who promote classes or events: Ads will be updated with the latest information supplied at the time of the deadline. If new dates have not been supplied, copy will be either repeated or a statement will be placed in the ad to the wording of "Call for future dates" or something similar.
